CLERGYMEN

Decide Minister Not Accountable For Action

Pittsburg, Pa., Dec. 28.—The appeal of Rev. George W. Lott, former pastor of the Shepard Memorial Methodist Episcopal Church, Columbus District, Ohio Conference, was argued here this afternoon and evening before a "Board of Trialers." He was charged with immoral conduct.

Rev. Lott was not present, it being stated that he is confined in a sanitarium. He was represented by Rev. W. H. Lewis and Rev. J. C. Jackson. It was charged that last April Rev. Lott was guilty of indecency in the presence of certain women members of his congregation, and that July while on a trip near Chicago, he was arrested and held. Later, it was set forth, he was examined by physicians and adjudged insane. It was contended by his representatives here that he was suffering from dementia, and for that reason leniency should be extended to him.

The jury of clergymen returned a verdict to the effect that Lott, at the time of the alleged acts was suffering from dementia, and that the verdict of the lower court, which found him guilty, should be reversed.

DEATH

Claims A. J. Wilson, Utica's Prominent Citizen

Passed Away Tuesday Morning At His Home

Abel Job Wilson, Licking county's oldest active banker, prominent throughout Ohio, perhaps the largest holder of real estate and public spirited man, passed to his reward, at his beautiful home in Utica, Ohio, Tuesday morning, at 9:30, after two years of the most intense suffering with asthma, the last six months of his time on earth being spent in his bed.

Abel Job Wilson was born and reared upon the home farm, near Utica, and has spent his entire life in that vicinity. Upon reaching his majority he removed to Utica, where he became interested in speculative business, and finally entered the banking business. Later he became associated with P. W. Sperry and Jesse Wilson, in forming a private banking institution. They continued until 1887 when Jesse Wilson retired. In 1889 Mr. Sperry retired leaving the entire institution in the hands of Mr. Job Wilson. Between the years 1871 and 1890 this was the only banking house in the village. Five years ago, the bank was converted from a private to a national bank.

In September, 1879, Mr. Wilson was united in marriage to Mary E., daughter of John and Elizabeth Clark of Utica.

He leaves besides his wife, a son Wilbur, who lives at home and a daughter, Mrs. Ray K. Smith, of Cleveland, also a grand daughter, Genevieve Wilson Gardner, aged four months.

The funeral will be held Thursday morning at 10 o'clock from the house. Immediately after the remains will be taken to Columbus for burial in Green Lawn.

Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by all dealers.

LIVELY

Fistic Encounter Occurs On East High St.

According to reports, a lively occurrence took place on East High street on Tuesday evening at about seven o'clock. It appears that for some reason, one well known young man of this city followed another young man, equally well known, for a distance of several blocks with the intention of "beating him up" with his fists for some trivial misunderstanding which had occurred between them at some previous date. The young man seeking revenge, overtook the second young man at a point where there was no one in sight and proceeded to knock him down. Not being desirous of engaging in a fistic encounter, the fallen man arose to his feet and continued his way home. No arrests followed the trouble.

If you are suffering from biliousness, constipation, indigestion, chronic headache, invest one cent in a postal card, send to Chamberlain Medicine Co., Des Moines, Ia., with your name and address plainly written on the back, and they will forward you a free sample of Chamberlain's Stomach and Liver Tablets. Sold by all dealers.

CHILDREN

Are Starving On Kely's Island Priests Report

Sandusky, O., Dec. 28.—Fifty families including more than 200 children of tender years, are facing starvation in the quarry regions of the Marblehead Peninsula and Kelley's Island, Lake Erie, according to Fathers William Kerze and F. L. Wagner, priests who presented an appeal for aid to the County Humane Society today. The heads of the families have long been out of work owing to an unexpected suspension of operations in the quarries. The situation was brought to light Christmas Day, when women and children, ragged and barefoot, were found treading ice and snow in quest of food and fuel.

Injuries Of Dr. Hunt More Serious Than First Given Out

Newark, O., Dec. 28.—It has been learned today from physicians attending Dr. Emory W. Hunt, president of Denison university, that Dr. Hunt's right ear drum was burst and his skull fractured in his recent fall on the ice.

Dr. Hunt will be totally deaf in his right ear, but it is believed that his left ear has not been affected. Dr. Hunt's physicians told him yesterday that it would be impossible for him to leave his bed for six weeks.

A REMARKABLE CHURCH

(Strand Magazine)

A freakish place of worship is the Church of the Holy Trinity at Baura, in Upper Austria. It is built in the form of a triangle and stands on a little hill approached by a winding ascent. If you examine it you will find that everything possible has been done to glorify and commemorate the Three in One. It has three fronts, three towers, three doors and three windows. Inside there are three altars, three organs and three sacrifices. The walls are decorated with three different kinds of marble, and the church cost three hundred and thirty-one florins to build.
